

**CHRONIC JOY**  
chronic illness ministry

## CREATIVE WAYS TO USE OUR STUDIES

- ① Personal Study
- ① Virtual Groups with Facebook Video, Skype or Google Hangouts
- ① Small group Bible study in your church
- ① Small group for caregivers
- ① Small group for parents of chronically-ill children
- ① One-on-one with shut-ins
- ① Use as discussion with spouse
- ① Prison ministry (one-on-one or in small groups)
- ① Bring to hospital visits as patient gifts
- ① Provide to local cancer centers (for patients/family members)
- ① Add to church library
- ① Place in Free Little Lending Libraries (small group service project)
- ① Rehab facility/nursing home (one-on-one or small groups)
- ① Small group at outreach facility (i.e. Salvation Army)
- ① Adapt for use with homeless ministries/rescue missions
- ① Counselor-led small groups at behavioral health/mental health facilities
- ① Recovering veterans (one-on-one or small groups)
- ① Parent discussion guide for teens/young adults
- ① Connection for family member or friend wishing to understand chronic illness
- ① Teen/young adult small groups
- ① Use it to train members of your staff/lay leaders
