- Each day for the next 20 days, choose one passage above.
- Read it several times and in several different translations.
- Sit with God and ask Him what truths He is speaking to your heart about your infinite worth and what He longs for you to learn.
- Write those words in one of the blank flares on the opposite side of this page, add color, and add the date so that on the difficult days, when the winds begin to blow, and the waves rise, you can pause, take a deep breath, and remember God's faithfulness.

The vigor of our spiritual life will be in exact proportion to the place held by the Bible in our life and thoughts.
