- Each day for the next 20 days, choose one passage.
- Read it several times and in several different translations.
- Then sit quietly with God and ask Him what truths He is speaking to your heart about who He created you to be.
- Write those words in one of the blank flares on the opposite side of this page, color it, and add the date. On the difficult days, look back and know in the marrow of your bones, just how precious, priceless, and treasured you are. *You are so loved!*

"The vigor of our spiritual life will be in exact proportion to the place held by the Bible in our life and thoughts."
