Fasten off.

Block to measurements above (finished measurements).

Kristine Mullen - I am a wife to my hubby of 17+ years, and mom to 6 great kids ranging from 26 to 9 years old - (1 boy & 5 girls). I homeschool my youngest 5, who are all the girls, and they are where the majority of my inspiration comes from.

I began designing my own patterns in 2007 when a friend of mine had a baby 10 weeks premature. I spent 2 weeks looking for a preemie blanket I liked, but couldn't find what I was looking for. So, instead I set out on a journey to create what I wanted. I realized I loved designing and have never looked back.
