IN THE BEGINNING, GOD CREATED ... (Genesis 1:1)

God created many amazing things: day and night, darkness and light, oceans and deserts, hippos and ants. But do you know what His *very best* creation is?

People! *We* are God's masterpieces!

God created us in His image, with dreams, imagination, curiosity, and creativity. He created us to giggle and cry, to walk and sing, and He planted a very special seed of hope in our hearts.

God wants us to notice His shiny green beetles and bright blue butterflies, His warm summer raindrops and big brown bears. He invites us to look for His creativity in every astonishing thing He created.
