

# THE AMAZING MAZE!

Do you know how amazing you are? CJ Star and the Sonshine Squad want to show you. You'll find the Amazing Maze on the other side. The maze starts at CJ Star who is holding the letter "A". Follow the maze to find each letter of the puzzle below in order. The maze ends at Henry Hedgehog who is holding the letter "G". Find all *seven* letters and fill them below.

 YOU ARE \_\_\_\_\_ !

Do you know which Sonshine character has *seven* letters in her name? That's right! It's BRIELLE Butterfly!

## WHAT HAPPENS WHEN THINGS ARE NOT AMAZING?

Sometimes things are hard. Sometimes we feel sick or sad or angry. Sometimes we feel lonely or overlooked. Sometimes the adults in our lives don't have time to hear all about our exciting days.

Sometimes things are just hard — but there is someone who always has time to listen to *everything* we have to say, someone who is OK with our tears and sadness, someone who is never too busy and is always exactly where we are. Do you know who? It's God.

Brielle Butterfly's name means "God is my strength." One of her favorite Bible verses is: *How you made me is amazing and wonderful.* (Psalm 139:14)

God made you amazing and wonderful, and CJ and the Sonshine Squad think so too!

## MAKE YOUR OWN MAZE

Did you know you can make your own indoor maze from building blocks, books, or even colored straws — or an outside maze from sticks, stones, or sidewalk chalk?

Have fun with our Amazing Maze and creating your own maze too!
