WHAT DOES YOUR SICKNESS OR PAIN FEEL LIKE?

USE GOD'S LITTLE CREATURES TO EXPLAIN HOW YOU FEEL

- ★ Sometimes when we're sick, it might be annoying, like a buzzing, biting mosquito.
- ★ Sometimes we might feel icky like a slimy earthworm.
- ★ Sometimes our pain might feel like a sharp, pinchy bee sting.
- ★ Sometimes when we don't feel well, things can seem too loud or too bright - like a cicada's shrill screech or a whole jar of lightening bugs.

DRAW BUGS OR INSECTS TO SHOW HOW YOU FEEL TODAY.
