

SAME & DIFFERENT GAME

It's fun to be alike, but it's also fun to celebrate how we're different. God made each of us unique, but He also made us one big family. Have fun with the Sunshine Squad on this side then turn the paper over and play your own game of Same & Different.

I have two ears, two eyes, two arms, and two legs.

I have two legs, two wings, and a beak.

I have a beak too, and 1000s of sticky suckers on my eight arms.

I don't have sticky suckers, but I do have a long, sticky tongue.

I have a long tongue too! I also have four legs and I can swim!

I love to swim too! I have four legs and a short tail.

I have a short tail, four legs, and long, wooly fur.

I have fur, too, four legs, and long black whiskers.

I have long white whiskers, I can purr, and I have a long tail.

I have a long tail too! I also have sticky feet.

I don't have sticky feet, but I leave a sticky trail, and I have a hard shell.

I have a hard shell, four wings and six legs.

I have six legs too, and two awesome antennae!

I have two pretty antennae and 100s of colorful scales.

I don't have scales, but I have strong quills and I'm a night owl.

I'm a night owl! I can turn my head 180 degrees!

I can't turn my head around, but I can fly backward!

I'm a bird, and I can't fly, but I can swim!

I can swim too, and I have a great sense of smell!

We're all alike in some ways and different in others. But we all share a great big heart of love!

Our very best *same* is learning to love and accept each other just as we are. *We love, because God first loved us.* (1 John 4:19)
